Joyce Manufacturing Tax Credit Certification - Non-Business Energy Property

Joyce Sunrooms, also known as Oasis Sunrooms and manufactured by Joyce Manufacturing Company, headquartered at 1125 Berea Industrial Parkway, Berea, Ohio 44017, offers ENERGY STAR Qualified Climatedmaster Sunroom and Patio Roofs that meet or exceed the qualifying criteria established by the *American Recovery and Reinvestment Act of 2009*. Such products shall qualify for energy-efficient, home improvement incentives that permit taxpayers to claim a credit with respect to amounts paid or incurred to purchase "Eligible Building Envelope Components" as that term is defined in Internal Revenue Code § 25C for their primary residence. The tax credit is in the amount equal to 30% of the product cost (up to a maximum credit amount of \$1,500) per household for 2009 and 2010. Qualifying product criteria shall be those that are ENERGY STAR qualified products as they are installed and intended to be used as set forth by the *American Recovery and Reinvestment Act of 2009**

Joyce Manufacturing Company represents that the following products, when installed under the respective conditions, meet the requirements as stated above.

Climatedmaster Roof

Color: White

Model: Regular, Deluxe, Ultimate, or Shingleable

Slope (as installed): Low-Slope (2:12 or less) or Steep-Slope (greater than 2:12)

-- AND --

Color: Beige

Model: Regular, Deluxe, Ultimate, or Shingleable

Slope (as installed): Steep-Slope (greater than 2:12)

*Qualifications vary by color and slope (as installed). This Certificate is intended to show that Joyce Manufacturing Company products are Eligible Building Envelope Components. Homeowners should consult their tax advisor to determine whether they qualify for any potential income tax credits.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
